Corporate Gift Offering, 2018–2019

2 Introduction

Our Corporate Gift Service

Aesop takes pleasure in offering an effortless corporate service that enables you to express gratitude to staff and clients through the gift of superlative skin, hair or body care.

As well as sparing you the tedium of shopping, we can advise on gifts appropriate to individual recipients, including gift kits large and small, a thoughtful range of product pairings, and modest gestures available individually.

In addition to Aesop gift-wrapping, it is also a pleasure to tailor packages to suit all budgets, and offer complimentary delivery to your nominated doorstep.

Corporate reductions are available based on the volume of your order.
